Summary: When do the Children of the atom find equality?

Children of the Atom

****Children of Atom**

> By Kari Retzlaff
>

> As the electron spins with glorious light
 Choas burns with all
its might

> Children of the atom; humanity's blight

> Born with something they fear so
 Always hiding, paranoia sowed

> Always hiding; looking for shadows to abode
 Children of the
atom, tried and stoned

>
 Why must they hate us?

> Why must they fear?
 Children of the atom, do not shed a tear

>
 When the wind blows those winter nights

> And all you ponder are your mutant might
 Look above, oh
glorious children.

> Children of the atom, may God take pity on your plight

> Why must they hate us?
 Why must they fear?

> Children of the atom, your time is near

> When shouts of bloodshed arrive at your door
 Remember that your
suffering shall be no more

> For they have come to take you home, oh oppressed and poor

Children of the atom, death is at your door

>
 Why must they hate us

> Why must they fear
 Children of the atom, your soul is no longer
here

>
 Upon the pearly gates of heaven

> As you stand within the bread and mana
 God will stand and make
his judgement bold

> He hath no mutant known

> And as human and mutant stand alike
 Before God's throne and all
his might
> No longer shall their be strife or fight
 Children of Adam,
equal heaven's light
>

>
